

AIA Central Oklahoma and AIA Eastern Oklahoma
in partnership with
California's Office of Emergency Services
presents

Disaster Assistance Training and Certification

Post-Disaster Safety-Assessment Program (SAP)

Presenter:
Michael Lingerfelt, FAIA
Lingerfelt International

**Become a registered
Safety Assessment
Evaluator and be
prepared to help local
governments perform
accurate facility-safety
assessments in the
aftermath of a disaster**

This program is available to licensed architects, registered engineers, and certified building officials and inspectors.*

*Intern architects, contractors, etc are able to attend but are not eligible to receive a CAL-EMA badge.

Date: Wednesday, April 27, 2016
Time: 9:00 a.m. - 4:00 p.m.
Location: Boldt Construction
101 West Hefner Road
Oklahoma City, OK 73114

Cost: \$100 AIA members (\$125 after March 26)
\$150 Nonmembers (\$175 after March 26)
\$50 Associate AIA Members (\$75 after March 26)

Upon completion of this full-day training, you will:

- Become proficient in the Safety Assessment Program (SAP)
- Become registered to assist with accurate evaluation of facilities, buildings, and infrastructures in the aftermath of a disaster event.
- Earn a CAL-EMA Certification badge (must be a licensed architect, engineer or building official to earn the badge).
- Earn 6 hours of AIA Continuing Education HSW Credit.
