Dear Friend of Central Oklahoma Architects:

AIA Central Oklahoma is pleased to announce the **2016 AIA Central Oklahoma Design Excellence Awards**. We are excited to be hosting this year's event at the Skirvin Hotel in downtown Oklahoma City on Friday, November 4, 2016.

We are writing today to ask you to consider becoming a sponsor of this special event. AIA Central Oklahoma's Design Excellence Awards program is held every other year and celebrates the best in architecture and urban design. Recognizing achievement in a broad range of architectural work by members, the program serves to inform the public of the importance of our built environment and the role architects play in their communities.

Your sponsorship will help ensure the success of the 2016 AIA Central Oklahoma Design Excellence Awards Program. It will also give you an opportunity to have your company name and logo front and center at our event and on all promotional materials produced for the event. Enclosed please find more information on the various sponsorship levels.

Thank you in advance for your consideration. If you have any questions, please do not hesitate to call me at 405.948.7174.

Sincerely,

THE AMERICAN INSTITUTE OF ARCHITECTS
Central Oklahoma Chapter
