

2022 SPONSORSHIP OPPORTUNITIES

The American Institute of Architects is a national, professional organization that supports the architectural profession and serves the community through good design and care for the built environment. The local chapter, AIA Central Oklahoma, has over 450 members and our mission is to facilitate unity and fellowship among the members in their pursuit of professional excellence toward quality architecture and increase the public's awareness of the profession's benefits and commitment to the community.

Sponsors of AIA Central Oklahoma accelerate their business development goals by cultivating relationships with members and staff, and expanding their reach within the architecture community. We thank you for your support in the past and hope you choose to join us again in 2022. The various activities and sponsorship opportunities available are described here. If you are interested in sponsoring any of these events, please complete the commitment form in this brochure. If you have any questions, please contact the Chapter office at 405-948-7174 or melissa@aiacoc.org.
